GRAPE VARIETIES

WHITE

CHARDONNAY

Its berries are small and golden. They produce rich, balanced, light wines with a remarkable aroma of lime blossom, hazelnut, fresh butter and roasted almonds with an aftertaste that lasts a long time in the mouth.

CLAIRETTE

Flower, honey.

GARGANEGA

Aromas of apricot, acacia, bitter almond, date, sweet spices, white flowers, tropical fruits, jasmine, honey, apple, plum, burnt sugar, elderberry, candied lemon or orange peel.

GEWURZTRAMINER

Spicy specialty from Alsace. Aromas of lychee, rose, gingerbread, cinnamon, hay and roasted dried fruits.

GRECANICO

Its nose is distinctive: notes of lemon zest, yellow apple, honeydew melon and almond. On the palate, its texture is velvety and we taste tropical fruits.

GRENACHE

Anise, fennel, mint.

GRUNER VELTINER

What makes Grüner Veltliner so special is its typical "Pfefferl" ("pepperness"): this spicy flavour, reminiscent of a pinch of white pepper, is combined with notes of yellow stone fruit, citrus and fresh herbs and defines the character of the grape variety.

MERSEGUERA

Slightly fizzy on the attack, this taste trace quickly disappears, giving way to a wine of medium acidity, medium body and beautiful aromas of walnut, pear, almond and candied orange (in that order). The finish, not short, moves on to notes of green orange, dried flowers.

MUSCAT

Fruity with musky notes.

RIESLING

One of the world's greatest white grape varieties. Beautiful, delicate fruity aromas of grapefruit, dried flowers, candied apricot, sweet spices, toasted dried fruit and flint.

ROUSSANNE

White flowers with vanilla and almond notes yellow fruits.

SAUVIGNON

The main white grape of Bordeaux. It produces firm, fruity and fine wines with notes of blackcurrant leaf, iris, musk, gunflint and boxwood.

SILVANER

Flint, hawthorn.

VERDEJO

Verdejo wines are characterised by fruit (pear and apple) and citrus aromas as well as notes of anise and freshly cut grass.

VIIGNIER

Aromas of apricot, violet, light tobacco, gingerbread, sweet spices and beeswax.

RED

NEBBIOLO

Earthy notes, quality leather, tarry impressions, red fruits (from strawberry to raspberry to red currant) or black fruits (warm season or very ripe grapes), roses and violets.

BLAUFRANKISCH

Blafränkisch is often associated with Gamay and Pinot Noir. However, in this wine from the Schiefer estate, it is more like a Rhône syrah, with aromas reminiscent of ground pepper. It is floral, the fruit is bright and the tannins are fine.

CABERNET FRANC

Black grape which offers aromas of pepper, violet and undergrowth.

CABERNET SAUVIGNON

Aromas of blackcurrant and liquorice, pepper. Wines that are slow to develop and which gain body and suppleness with time.

CHENAS

These red wines have a beautiful intense colour with bluish tints and complex aromas (fruity, floral and spicy). On the palate, they are tannic and harmonious.

CORVINA

Corvina is characterised by its aromatic fruitiness, high acidity and low phenol content, while being low in both tannins and pigments

CROATINA

Croatina produces robust, dark wines with moderate tannins. Thus, the variety has some similarities with Dolcetto. A spicy taste of black fruits like plums, morello cherries and blackcurrants characterise Croatia.

GRENACHE

Aromas of pomegranate, spices, dill, thyme and red fruits.

MALBEC

Spices, dried fruit, black currants and plums.

MERLOT

Aromas of red fruits, rose, undergrowth, vanilla, smoke and musk.

PINOT NOIR

Cherry, blackcurrant, pear and liquorice, morello cherry, prune, smoky notes, animal, game, leather.

PRIMITIVO

This grape variety is convincing with its enticing aromas of wild berries alongside hints of white pepper, cinnamon and cloves. A fine chocolate note rounds off the aroma of the Primitivo wine.

SANGIOVESE

Semi-intense colour and typical aromas of black cherry and wild spices, often also characterised by a high acidity and expressive tannins. This grape variety is convincing with its enticing aromas of wild berries alongside hints of white pepper, cinnamon and cloves. A fine chocolate note rounds off the aroma of the Primitivo wine.

SCIACARELLO

Spices, pepper.

SYRAH

Black fruits with a hint of leather and Havana, violet, Morello cherry, wild grass, liquorice, hummus.

TEMPRANILLO

Aromas of red fruit (often strawberry or strawberry jam) and dried fruit, such as prunes. Notes of leather, tobacco leaves and spices are also common.

ZWEIGELT

Often compared to Gamay, Zweigelt has an enticing nose of berries, with a hint of herbs and spices.

ROSÉS

LE GRENACHE

In general, rosés made from Grenache have a bright pink colour. This variety gives the wines elegant aromas of citrus and red fruits such as raspberry and strawberry. It also adds fatness, fullness and power. On the palate, these rosés are very fresh.
